 Alexandria & Cairo, Egypt

BIO

Dr. Pakinam Awad
PM lounge CEO & PA designs CEO

Pakinam has established herself as a prominent expert in the field of interior design with more than 15 years of experience. She was born in Alexandria (The city where the art of architecture demonstrates its elegant luxuries architectural design).

Graduated and worked as a lecturer in the Faculty of Fine Arts' Interior Design Department at Alexandria University, with a major in Interior Design where she later completed her Masters and PhD.

WHAT WE DO

PA team enjoys coming up with new ideas, combining different materials and experimenting with light in space to create unique looks in her designs. Pakinam's goal has always been client satisfaction, which can only be achieved through layout planning, furniture design workshops, and project execution.
